Our music's punk rock with DIY/underground attitude... Musical influences are The Melvins, The Wipers, Black Flag, Flipper (the Band, not the fish), beer cans, Mudhoney, republican party conventions, Supersuckers, Butthole Surfers, redneck parties, Minor Threat, Sonic Youth, The Stooges, Dead Moon, the wheel-o-fortune jingle, The Thrown-Ups, gas huffing and backwards played Beatles records!

Despite being together for only a year we already had about 17 shows and released a 7".
